

3A Beverley Street Morley WA

3  2  4 

Nestled on a large 559 square metre block is this rear modern home built by Ross North Homes that ticks all the boxes for one lucky buyer. There are many appealing features that will make this home highly sought after. These include:

* The home is large in area being a total of 223 square metres including the garage and alfresco.

* There are two big open plan living areas. At the heart of the home is a large open plan kitchen / dining / family room that has a series of full height windows and sliding doors to let northern light stream through the home. The spread out kitchen has plenty of bench space, built in pantry, stainless steel appliances including an electric oven, gas hot plates, rangehood and dishwasher plus a glass splash-back.

Price : From \$599,000
Building Size : 223 sqm
Land Size : 559 sqm
