

2 McCallum Court Binningup WA

This fantastically located block is just a 300 metre stroll down the road to the beach.

The block is at the end of a quiet cul-de-sac with ocean views to the west and views over bushland to the north. The block provides panoramic ocean views at road level.

This large block of 872 square metres has a 16.6 metre frontage and would suite a pole home construction to optimise the ocean views.

The location is ideal being just 30 minutes from Bunbury CBD and 15 minutes from Treendale shopping centre. The town is well serviced with excellent local primary and secondary schools accessed through government funded bus services.

Land Size : 872 sqm
